Golf Excellence International (GEI) is where the Science of golf meets the Art of instruction. Technology complements your instructor's assessment and creates a profile of strengths and weaknesses. Specific coaching and training dramatically accelerates learning, saving time and money. Gain personal control over your golf education.

GEI's indoor facility is over 6,000 square feet and features private HI-Tech hitting bays, a fitness training area, complete club repair and "PUREing" center and a lounge to relax or watch your recorded training session.

GEI is available rain or shine, night or day.

GEI offers the most State-of-the-Art training technology like "**HOTLINES**" featuring real time feedback!

Our cameras will monitor your movement and if you sway, dip or hit any of your defined "Hot-lines" the ball will instantly drop, enabling you to know where you went wrong.
